Shuswap Theatre

Welcome to our 32nd season – and another year of great live entertainment!

The enclosed brochure describes our exciting Mainstage Season which begins with a bang on October 24th when we present the opening performance of ***Outlaw***. This comedic drama, written by Canadian playwright Norm Foster, provides a genuine Western whodunit story that will have you guessing. Our second Mainstage production, ***Dinner with Friends***, explores the complexities of both marriage and friendship. We conclude our 32nd Mainstage Season with ***Emily***. This musical will premiere on our stage. Written by Shuswap Theatre's very own Peter Blacklock, this is a story about the life and art of Canadian painter, Emily Carr.
